Comm. Dev. Dept. Brisbane

Commissioners,

My name is Corey Smith. I'm a resident and housing advocate that lives and works in San Francisco. I'm reaching out to encourage you to **maximize** the amount of housing and affordable housing units for the Brisbane Baylands Project. As our region tries to dig ourselves out of the housing crisis hole, opportunities like this are few and far between.

Simply, we need the homes for people. *Please recommend homes.*

Thank you,
Corey Smith

Thanks,
Corey Smith
