**Subject:** Build more housing!

I just read the article at <http://www.latimes.com/politics/la-pol-ca-small-city-controls-big-housing-project-20170728-story.html> and frankly I'm disgusted at the attitude displayed by some the Brisbane residents. The Bay area desperately needs more housing and it's unrealistic to expect to remain a small village in the midst of a major metropolitan area.
