

## Dredge Update 7-14-2016

- Dredging is continuing on the BOTH sides of the SOUTH finger, Dock 3. It is anticipated that dredging in this area will be completed in the next 7 days, +-
  - Dredgers should be routinely contacted on Marine radio band **Channel 80**, IF they are present- and you are advised to contact them on your way in or out of the Marina. (They also monitor Ch. 16). Sometimes, a few minutes may be needed to relocate their equipment- they are able to better respond when you give 15-20 minutes notice before moving. **Slow, safe vessel moves in all Marina areas are requested.**
- Next phase → EAST end (seawall side) NORTH **finger dock 3 to include slips 3036→3065.** Boaters will be contacted with a temporary slip assignment. Estimated start next phase is – Mon., 7-25-2016
