SECURE YOUR SPOT!

On Tuesday, April 10th at 8:00am, registration for the 2018/2019 Club Rec Afterschool program will open. We will accept registration in person at the P&R office at City Hall and you will also be able to register online. Given the high demand for the program and limited number of spaces, once we hit maximum capacity, we will initiate a waitlist. Please call 415-508-2140 with questions or for additional information.

The Kinder Care and Club Rec afterschool programs (located in the P&R modular on the BES campus) provide a supportive and nurturing atmosphere that keeps kids safe and engaged while bridging the gap between school and home. A daily snack is provided. Our staff escorts children to their BES-based enrichment programs and afterschool sports on the BES field. We also offer several additional “opt-in” kids clubs tailored to participants interests. Our play-based approach provides a balance of educational, social, and recreational opportunities.
