Harmeet and Kunal (and Chester) Find Home

When newlyweds Harmeet and Kunal decided to buy a home, they first met with a real estate agent to discuss their priorities and find the ideal neighborhood for them in the Bay Area.

"I remember Kunal kept trying to describe it," says Harmeet. "And then he realized it was all about the lifestyle—he wanted to live where we could be healthy and be able to walk to places, but also not feel cramped."
