Michael Hahn

### Administrative Assistant:

Teresa Camarda

### Maintenance:

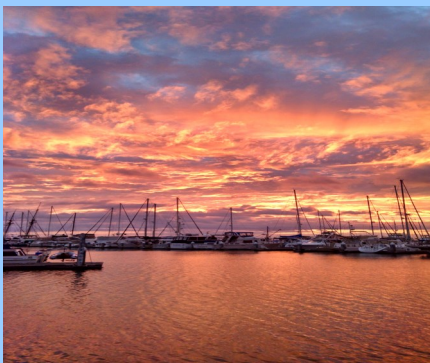

Chris Redfield

Dave Sehnert

Doug Messing

### Marina Services Director:

Randy Breault

2017 Tide Tables are here!

## *Better late than never!*

- **The Marina cameras are at work, and have helped catch car burglars in July, resulting in charges being filed against the crooks. They aren't perfect, but they sure help!**
- **Installation of the new WiFi system upgrade is in process, with poles in place for the radio equipment and electrical work complete. ETA– new system working in September.**  
*More details to follow*
- **We are currently trapping SKUNKS– soon we will be adding raccoons and pigeons, too.**
- **Pigeon spikes have been installed under the dock gates to deter their nesting behaviors.**
- **An illegal live-aboard dumped garbage on the dock and in the water, then threw up at multiple locations down her dock– and an alert, angry ACTUAL Marina renter immediately let us know about the issues as other helpful slip renters in their kayaks (*THANKS, Katie!*) picked the revolting garbage out of the water. Contact was made with this person, and ultimately Brisbane Police responded, and the individual was arrested on (unrelated) other charges. The slip renter's berth license has been terminated.**

*A reminder*—> In order to improve the facility, we are still seeking your ideas and input on the various types of small, “mobile” businesses and concessions that may fit in here.

Let us know what specific ideas YOU would like to see implemented here so we can explore bringing these resources to our favorite marina! My door is always open, and we are grateful for your business.

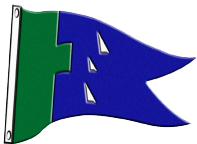

**Michael Hahn  
Harbormaster**

*A beautiful place...*

*...with so many different beautiful VIEWS!*

*Here is one, looking North from the fishing pier towards San Francisco*
