Agenda Report

October 20, 2017

To: Mayor & City Council

From: City Manager

Subject: City Council Ad-hoc Committee on Crocker Park noise issues

Summary

At the October 12th City Council meeting Council requested that an item be brought forward to establish a Council Ad-hoc subcommittee to review issues of noise in Crocker Industrial Park and their impact on surrounding residential areas.

The committee may consist of up to two councilmembers. Staff support will be provided from the Police Department, Economic Development Director and City Manager.

Once formed, the Committee and staff will work on development of a work program.

Recommendation

Consider appointment of an Ad-hoc Subcommittee and appoint up to two Councilmembers to said committee.
