BES 3rd Graders Tour City Hall

Each year we look forward to Ms. Dalmacio's 3rd Graders touring City Hall as part of their government curriculum. At the time of their tour, they were just two days into their coursework so they knew that it takes various departments at City Hall to provide services to the community, in addition to Fire and Police (which, to no surprise, steal the show!). The

students were probably most at home with the Parks and Recreation Department, though, and were delighted to see the custom-made banner hung for them in the Parks and Rec office. Thank you, Ms. Dalmacio, for making the effort to expose your students to their local government and see first-hand how City Hall is run!

YOUR VOICE MATTERS

An anonymous survey has been generated by the Parks & Recreation Department in conjunction with the Parks & Recreation Commission to engage residents, solicit feedback, and identify priorities for the future of Parks & Recreation in Brisbane. We encourage you to take a few minutes to provide input and shape what is to come for Parks & Recreation services, facilities, and programs. The survey can be found online at:

<https://www.surveymonkey.com/r/PR2017survey>

You can also access the survey link on the main Parks & Recreation webpage and Facebook pages. Hard copies of the survey will be available on site at the Recreation office in City Hall, the Community Pool, and at the BES childcare modular. We thank you in advance for your time and support in this very important process.

Please contact the Parks & Recreation Department with questions at 415-508-2140.

Smoking Ordinance for Multi-Unit Residences

Enforcement Starts June 1, 2017

The Smoking Ordinance that Council adopted on November 3, 2016 went into effect December 2016 but its enforcement has been delayed until June 1, 2017 to allow for public education of the ordinance and for property owners and tenants to become aware of the new regulations and take any necessary measures to comply with the ordinance. Smoking is prohibited in all multi-unit residences, all unenclosed and enclosed common areas, and all other areas of a multi-unit residence. Smoking is also prohibited within at least 30 feet in any direction from any operable doorway, window, opening or other vent into an enclosed area that is located at the multi-unit residence, areas primarily used by children, and areas with improvements that facilitate physical activity including playgrounds and swimming pools. Smoking is permitted in a designated smoking area if the property has such area (and not all properties will have such an area). Outdoor designated smoking areas must be located more than 30 feet from the above listed prohibited areas. Violations of designation of smoking areas should be addressed to the City's Code Enforcement Officer Michelle Moneda by calling (415) 508-2172 or e-mailing mmoneda@ci.brisbane.ca.us. To report a violation in progress ("on-view violation") of the ordinance, please call Dispatch at (415) 467-1212. A Smoking Ordinance page with FAQs and helpful links can be found on the City's website at: www.brisbaneca.org/smoking-ordinance.

How to Read a City Council Agenda

The City Council Meeting is a vital part in providing transparency to the conduct of the City's affairs. The Council generally meets the first and third Thursdays of each month at 7:30 p.m. in the Community Meeting Room at City Hall. We understand the City Council Meeting Agenda may look daunting with its Roman numerals, government jargon, and long titles that sometimes go on for multiple lines, so we wanted to provide this article in hopes of demystifying the City Council agenda and the formalities associated with it. Let's first start with the document header—sometimes, and more often these days, there is the word “Special”, like the April 6th meeting title, “City Council Special Meeting to Discuss the Brisbane Baylands”. This just signifies that the Mayor or City Council has called a Special Meeting to consider specific items or that the meeting is taking place on a date that the City Council doesn't regularly meet on; the City Council regularly meets on the 1st and 3rd Thursday of each month. Then there is the section, **Oral Communications**. On regular Council meeting agendas, there are two instances of Oral Communications, one at the beginning and one at the end of the meeting agenda. This is a time for anyone to ask a question or make a comment to the Council on an item NOT on that night's agenda per Brown Act requirements (All Council meetings are conducted in compliance with the Ralph M. Brown Act, which requires legislative bodies to hold their meetings in public except under specific circumstances where closed sessions are authorized). So, if ever you wanted to have an item placed on a FUTURE Council agenda, Oral Communications would be the place to make that request. But if you wanted to make a comment on an item on something listed someplace on that night's agenda, you would need to do so at the time Council discusses that item. Note: The Council may not take action on an item presented under Oral Communications.

The items under the **Consent Calendar** section are those deemed to be administrative in nature, oftentimes made up of things that deal with the routine maintenance of our

City's infrastructure. By law, the contracts for these services must be approved by the City Council, and each item will have a related staff report and attachments (if applicable) for the public to read. On occasion, a Consent Calendar item is pulled should a Councilmember want to discuss it in further detail with staff, but more often than not, Consent Calendar items are passed by a single vote of the full Council. This allows for the Council to save the bulk of its meeting for issues in which there is a need for serious public discourse.

Public Hearings are held on matters required by law or items of significance for which public input is desired. The Mayor begins a Public Hearing by asking for presentations from staff and from the proponent or applicant involved in the matter under discussion. Following questions from the City Council, the Mayor will open the hearing to the public for input from citizens. Following the close of the Hearing, the City Council takes action on the subject of the Hearing.

Old Business items are those items continued from a prior Council meeting for additional discussion or consideration.

New Business covers those items which require Council discussion and/or decision but do not legally require a Public Hearing. Councilmembers may ask questions of staff before the Mayor invites citizens to provide input.

The **City Manager's Report on upcoming activities** allows the City Manager to brief the Council on items of interest. No Council action is required.

And that wraps up what you'll typically see on a City Council meeting agenda. Now that you're well-versed in public meeting agendas, check out the agendas for City Council and the City's other Committees/Commissions on the All Meetings page: www.brisbaneca.org/city-government/meetings.

Concerts in the Park – Call for Sponsorships

Concerts in the Park Needs Your Support!

The Brisbane Community Park is filled with music & cheer every summer when the Concert Series rolls around. Concerts are held on Friday nights from 6:00-8:30pm. One of the MOST important aspects of the planning process is sponsorship, as this summertime tradition is only made possible due to the generous tax-deductible donations made by Brisbane businesses and local families. Do you enjoy the bands and think the concerts add value to the community? Then consider being a sponsor for this year's series! Sponsors are recognized by the City Council, acknowledged in City publications, and listed on the concert banner hung on the gazebo in the park. If you have questions, please contact Jeff Franco at (415) 657-4321 or jfranco@ci.brisbane.ca.us. Thank you in advance for your support of these wonderful community events!
