Teresa Camarda

#### Maintenance:

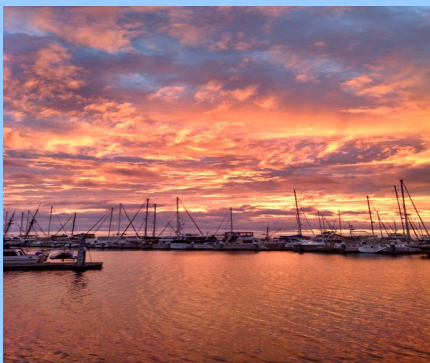

Chris Redfield

Dave Sehnert

Doug Messing

#### Marina Services Director:

Randy Breault

2018 Tide Tables are here!

### *It's Mid-Summer and the Marina is beautiful!*

**Staff requests:** IF you have LARGE, bulky trash items, or cardboard– PLEASE use the dumpsters at the middle upper parking area, or on the south end of the main parking area– rather than trying to cram your items into the dockside trash containers near each dock gate.... We REALLY appreciate it!

**MANY boaters have not provided us insurance and registration information– please bring these items to the office so we can update your file.**

*We are continuing to monitor the dust control at the construction site to the west, but if you do observe what you believe to be unreasonable fugitive dust, please take a picture, and contact both the Harbormaster's Office and the Bay Area Air Quality Management District complaint line at 800-334-ODOR (6367).*

### **UPDATE : BCDC LIVE-ABOARD PERMIT APPLICATION**

The City has received BCDC's approval for "live-aboards," and the City Council began consideration of this item at their 7/19/18 meeting. **The City must now decide on a fee schedule for live aboard boats, and will consider this in the next Council meeting.**

There is *no "list" at this time* and we will post updates as this changes. The boaters to be first considered for this status will be those who have *already* had a boat here for 6 months. **REMEMBER: IF we are approved- all those who *may need to* update their status SHOULD convert to the live-aboard, as we will be MUCH more vigilant on the "3-night" rule going forward.**

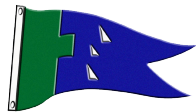

The **2018 Kite Festival is planned for Saturday, August 4th!** There will be food and beverages for sale, provided by our partners at the Sierra Point Yacht Club. Additionally, there will be music, face painting, representatives from Parks and Recreation will be here to give away kites for those needing them, a cool old Fire truck to climb on, the Brisbane Police will have a booth, and we will have an "escape this truck" attraction set up as well... **COME FLY WITH US!**

Our door is always open, and we are grateful that you have chosen Brisbane Marina as your "home port!"

**Michael Hahn**  
**Harbormaster**

The NEW redwood cap rail on the Brisbane Marina Fishing Pier *has been completed and it looks GREAT!*

Thanks to Chris Redfield and Doug Messing for their hard work!

## Sierra Point Yacht Club
