What is the Guaranteed Ride Home program?

The Guaranteed Ride Home program (GRH) is provided by Commute.org through the STAR platform (my.commute.org) to encourage commuters to use an alternative mode other than driving alone to work or to a participating college in San Mateo County by providing financial relief to get home in the event of an emergency.

The GRH program reimburses commuters who choose to carpool, vanpool, take transit, bicycle, or walk to work or college in San Mateo County with a qualified GRH up to program limits.

Visit [Commute.org](https://www.commute.org) for more information.
