2018 Tide Tables are here!

One is gone, another one coming...

2017 has been a momentous year, with many projects completed at the Brisbane Marina. These included repairs to water and power mains, Wi-Fi, parking lot paving- and the continuous hard work by staff makes the Brisbane Marina a great destination.

A few housekeeping issues...

- When you renew your California registration, remember to bring the new document to the office and **apply your 2019 stickers**. We have a number of boats showing WAY expired CF #'s, and we will have Brisbane PD walk the docks to issue citations. It is important to remember we receive critical benefits (*S.A.V.E. grant to remove derelict boats*) from these funds.
- All boaters: check your extinguishers- Kidde Recalls Fire Extinguishers with Plastic Handles Due to Failure to Discharge and Nozzle Detachment: One Death Reported, call Kidde toll-free at 855-271-0773 from 8:30 a.m. to 5 p.m. ET Monday through Friday, 9 a.m. to 3 p.m. ET Saturday and Sunday, or online at www.kidde.com and click on "Product Safety Recall" for more information.
- Some have left *GAS CANS and 12V batteries on the docks- this is NOT ALLOWED! PLEASE clean up your dock area.*
- **Marina office holiday hours:** We are open from 8 am to 12:00 pm on Christmas Eve, and New Year's Eve. We are closed Christmas Day and New Year's day.

May your holidays be filled with joy and good health.
My door is always open...
