2017 Tide Tables are here!

## Happy Holidays!

It is the time of year that I consciously give thanks for all the many blessings that we enjoy...

- ◆ I am thankful for the **awesome clients** we have at the Brisbane Marina, with so many different friendships and opportunities to get out and enjoy the waters of our beautiful San Francisco Bay. Your smiles, comments and laughter, many interesting conversations and the stories we share make this a truly enjoyable place to work.
  - ◆ I am grateful for the newly hired **Public Safety Aides** (welcome to Tommy Yu and Tyler Parsons) and for **all** of the veteran PSA's who patrol nightly to help keep the premises and your boats safe. Say hello when you see them out & about!
  - ◆ I appreciate the fact the City officials in charge of Marina operations always enthusiastically support and understand our need to continue making property and infrastructure improvements. ***Our team here is a cohesive one!***
  - ◆ I am glad that we have the Sierra Point Yacht Club participation in so many areas of Marina life, especially for the upcoming **Holiday Boat Decoration** and party on Sat., December 10th— *get your boat looking festive and participate in the fun!*
- ⇒ Remember- Our holiday hours **are limited** on **Christmas Eve** (we are here 8AM to noon) and **Christmas Day** (CLOSED), as well as **New Year's Eve** (8AM to noon) and **New Year's Day** (CLOSED).

We have had success in trapping many rats on all docks and will continue with this program— you can help by securing your boat and removing food from the vessel unless you are on board. Also, we have caught one of the raccoons that have crawled deep into several boats— again, **lock and secure all hatches, port lights, cabinets, open areas on the flybridge**— this is how they get into your vessel.

Please remember the Staff here works very hard to earn your business and loyalty— feel free to **say hi to Teresa, Dolan, Dave, Neal, Albert and Chris** when you run into them or stop by the office.

My door is always open, and you can always call if you have any comments or questions.

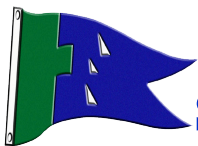

**Michael Hahn**  
**Harbormaster**
