

# How vulnerable is San Mateo County to sea level rise?

## Come learn about the recently released Draft Sea Level Rise Vulnerability Assessment

### ***What to expect:***

- Overview of the draft report on future sea level rise
- Participate in an interactive game to better understand how to prepare for sea level rise
- Learn how to get involved and become part of the solution

### ***Two public workshop dates:***

- April 25, 6:00 - 8 pm at Burlingame Library Lane Community Room, Burlingame
- April 29, 10:30 am – 12:30 pm at Ted Adcock Community Center, Half Moon Bay

Visit [www.seachangesmc.com/events/](http://www.seachangesmc.com/events/) for information about the public workshops, and to RSVP.

The Vulnerability Assessment can be downloaded at: [www.seachangesmc.com/current-efforts/vulnerability-assessment/](http://www.seachangesmc.com/current-efforts/vulnerability-assessment/)
