### February Updates

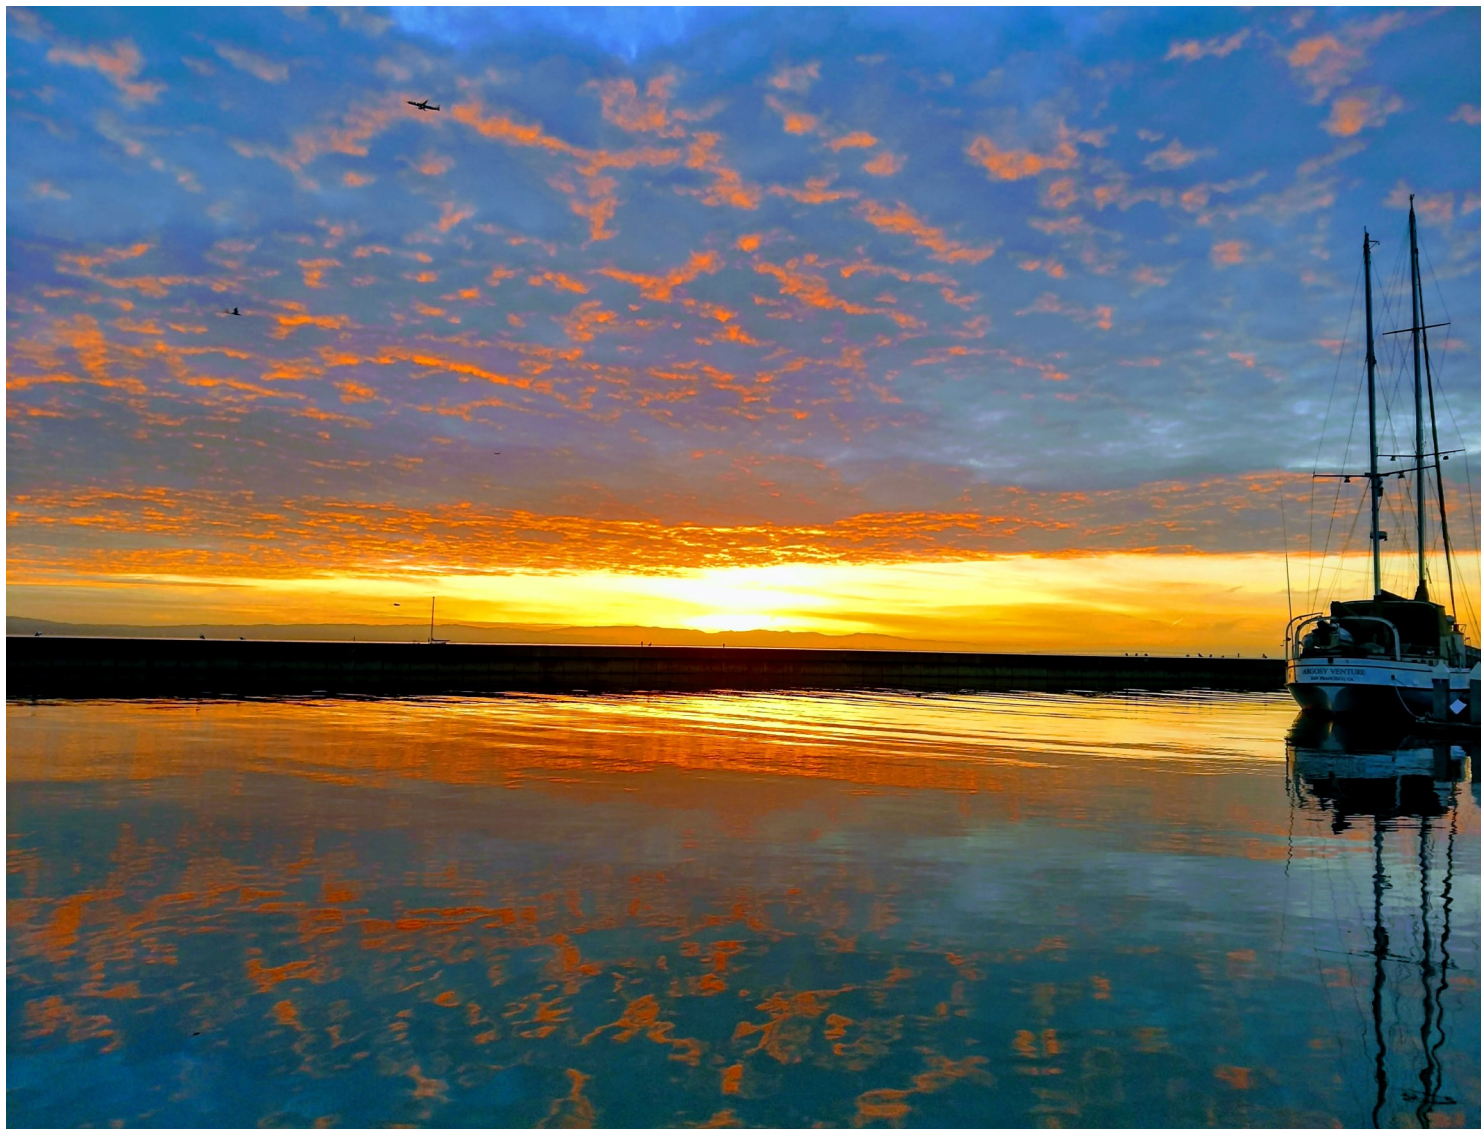

- **UPDATE: Live-aboard permit application-** We have *applied to BCDC for approval* to be a “live-aboard” marina. We have **NO idea on the possible approval TIMELINE**. There is no “LIST” at this time and we will post updates as this changes. Boaters to be considered for this status will be those who **ALREADY** have a boat here, *so - it may be a good time to bring a boat into the Marina.*
- **LARGE ITEM shipments:** Going forward, *we will NOT STORE large boxes* or items for you in our GARAGE– we will REFUSE these shipments UNLESS you have contacted us and advised us when you will pick it up, and we will need a ONE DAY window.

### REMEMBER-

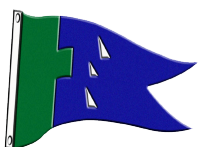

- When you renew your California registration, remember to bring the new document to the office and **apply your 2019 stickers to your hull**. We STILL have a number of boats showing **WAY expired** CF #'s, and we **will** have Brisbane PD walk the docks to issue citations. It is important to remember we receive critical benefits (**S.A.V.E. grant to remove derelict boats**) from these funds. Please also bring a new copy of your insurance policy when you renew... We are always here for your comments and suggestions!
