# Brisbane Housing Authority Agenda Report

To: Chair and Members of Housing Authority of the City of Brisbane

From: Clay Holstine, Executive Director and Michael Roush, General Counsel

Meeting Date: February 15, 2018

Subject: Purchase Agreement for Sale of 4.21 Acres

#### Recommendation:

Approve the Purchase Agreement and related documents in a final form as approved by the General Counsel.

## **Background**

The Housing Authority owns vacant property within Brisbane Acres, totaling about 4.21 acres. The property consists of four contiguous lots and are located immediately south of the intersection of San Bruno Avenue and Gladys Avenue in the City of Brisbane. The former Redevelopment Agency of the City purchased this property for just under \$2 million, using its Low and Moderate Income Housing fund. After the dissolution of Redevelopment Agencies, the property was transferred to the Housing Authority.

Recently, the Housing Authority received an offer from the JL Homeland Development Group to purchase the property. The Housing Authority met in closed session several times to discuss the terms and conditions of such a sale and to provide direction to the Executive Director. A proposed Purchase Agreement and related documents have now been drafted consistent with the Housing Authority's direction and they are attached. The salient terms of the Agreement are discussed below.

#### Discussion

The sales price would be \$2.732 million, which is substantially higher than the appraised value of the property. Of that amount, \$50,000 would be an initial deposit, and \$1.232 million would be paid at close of escrow. For the remaining \$1 million, there would be a promissory note, secured by a deed of trust on the property to be paid (as a balloon payment) in May 2021. The note would bear interest at 5%. The buyer would have 90 days to undertake "due diligence" and escrow would close 30 days thereafter. The City would deliver a "certificate of compliance"

concerning the lots (certifying that the lots are legal lots of record if they are legal lots of record), the cost of which the purchaser would bear, a record of survey (if the City has one) and a topographic map (which the City does have). The City would also provide any reports it has concerning any hazards on the property (a Phase I report was prepared when the former Redevelopment Agency purchased the property) and pay for a natural hazard zone disclosure report, not to exceed \$99. Any commissions concerning the sale will be paid by the purchaser, not the Housing Authority.

In addition to review of the Purchase Agreement and related documents by the Authority's General Counsel, the documents have been referred to a real estate attorney for review as well. Any technical revisions of the Agreement or related forms based on that review will be approved by the General Counsel before the Housing Authority signs the documents.

## **Fiscal Impact**

The property was purchased using the former Redevelopment Agency's Low and Moderate Income Housing fund. Such funds must be used to provide affordable housing. Accordingly, the proceeds of the sale of this property will be placed in a similar Housing Authority fund and used to provide housing for low and moderate income households.

# DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

Attachment 2

(Selling Firm to Buyer)
(As required by the Civil Code)
(C.A.R. Form AD, Revised 12/14)

[] (If checked) This form is being provided in connection with a transaction for a leasehold interest exceeding one year as per Civil Code section 2079.13(k) and (m).

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

#### **SELLER'S AGENT**

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b)A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

#### **BUYER'S AGENT**

A selling agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

#### AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
- (b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, the agent may not, without the express permission of the respective party, disclose to the other party that the Seller will accept a price less than the listing price or that the Buyer will pay a price greater than the price offered.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGESBERGEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE BACK (OR A SEPARATE PAGE).

The agent in the real properly transaction bears responsibility for his or her associate licensees who perform as agents of the agent. When an associate licensee owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the associate licensee functions. (c) "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. (g) "Listing agent" means a person who has obtained a listing of real property to act as an agent for compensation. (h) "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the listing agent. (i) "Offening price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. (j) "Offer to purchase" means a written contract executed by a buyer acting through a selling agent that becomes the contract for the sale of the real property upon acceptance by the seller. (m) "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer, and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. (n) "Seller" means the transferor in a real properly transaction, and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. (o) "Selling agent" means a listing agent who acts alone, or an agent who acts in cooperation with a listing agent, and who sells or finds and obtains a buyer for the real property, or an agent who locates property for a buyer or who finds a buyer for a property for which no listing exists and presents an offer to purchase to the seller. (p) "Subagent" means a person to whom an agent delegates agency powers as provided in Article 5 (commencing with Section 2349) of Chapter 1 of Title 9. However, "subagent" does not include an associate licensee who is acting under the supervision of an agent in a real property transaction.

2079.14 Listing agents and selling agents shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and, except as provided in subdivision (c), shall obtain a signed acknowledgement of receipt from that seller or buyer, except as provided in this section or Section 2079.15, as follows: (a) The listing agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The selling agent shall provide the disclosure form to the seller as soon as practicable prior to presenting the seller with an offer to purchase, unless the selling agent previously provided the seller with a copy of the disclosure form pursuant to subdivision (a). (c) Where the selling agent does not deal on a face-to-face basis with the seller, the disclosure form prepared by the selling agent may be furnished to the seller (and acknowledgement of receipt obtained for the selling agent from the seller) by the listing agent, or the selling agent may deliver the disclosure form by certified mail addressed to the seller at his or her last known address, in which case no signed acknowledgement of receipt is required. (d) The selling agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase, except that if the offer to purchase is not prepared by the selling agent shall present the disclosure form to the buyer not later than the next business day after the selling agent receives the offer to purchase from the buyer.

2079.15 In any circumstance in which the seller or buyer refuses to sign an acknowledgement of receipt pursuant to Section 2079.14, the agent, or an associate licensee acting for an agent, shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.16 Reproduced on Page 1 of this AD form.

2079.17 (a) As soon as practicable, the selling agent shall disclose to the buyer and seller whether the selling agent is acting in the real property transaction exclusively as the buyer's agent, exclusively as the seller's agent, or as a dual agent representing both the buyer and the seller. This relationshipshall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the selling agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the listing agent shall disclose to the seller whether the listing agent is acting in the real property transaction exclusively as the seller's agent, or as a dual agent representing both the buyer and seller. This relationshipshall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the listing agent prior to or coincident with the execution of that contract by the seller. (c) The confirmation required by subdivisions (a) and (b) shall be in the following form.

(DO NOT COMPLETE, SAMPLE ONLY)	is the agent of (check one):	the seller exclusively; or	both the buyer and seller
(Name of Listing Agent)			
(DO NOT COMPLETE, SAMPLE ONLY)	_is the agent of (check one):	the buyer exclusively; or	the seller exclusively; or
(Name of Selling Agent if not the same as the Listing Agent)	both t	he buyer and seller.	

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14.

2079.18 No selling agent in a real property transaction may act as an agent for the buyer only, when the selling agent is also acting as the listing agent in the transaction. 2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 A dual agent shall not disclose to the buyer that the seller is willing to sell the property at a price less than the listing price, without the express written consent of the seller. A dual agent shall not disclose to the seller that the buyer is willing to pay a price greater than the offering price, without the express written consent of the buyer. This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price. 2079.22 Nothing in this article precludes a listing agent from also being a selling agent, and the combination of these functions in one agent does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

(C.A.R. Form BIA, Revised 11/14)

P	roperty Address:	4.1 acres +/- in	the City of Brisban	e, Brisbane,	94005		("	Property")
	MARGOTANIOT	AL DEADERTY	INDESTRUCTIONS	The physical	anadition of the	land and improvements	haina nurchi	send ic no

- 1. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.
- 2. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as those listed below. If Broker gives you referrals to professionals, Broker does not guarantee their performance.
- 3. YOU ARE STRONGLYADVISED TO INVESTIGATE THE CONDITIONAND SUITABILITY OF ALL ASPECTS OF THE PROPERTY, INCLUDING BUT NOT LIMITED TO THE FOLLOWING. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.
  - A. GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS: Foundation, roof (condition, age, leaks, useful life), plumbing, heating, air conditioning, electrical, mechanical, security, pool/spa (cracks, leaks, operation), other structural and nonstructural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property.
  - B. SQUARE FOOTAGE, AGE, BOUNDARIES: Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Fences, hedges, walls, retaining walls and other barriers or markers do not necessarily identify true Property boundaries.
  - C. WOOD DESTROYING PESTS: Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms.
  - D. SOIL STABILITY: Existence of fill or compacted soil, expansive or contracting soil, susceptibility to slippage, settling or movement, and the adequacy of drainage.
  - E. WATER AND UTILITIES; WELL SYSTEMS AND COMPONENTS; WASTE DISPOSAL: Water and utility availability, use restrictions and costs. Water quality, adequacy, condition, and performance of well systems and components. The type, size, adequacy, capacity and condition of sewer and septic systems and components, connection to sewer, and applicable fees.
  - F. ENVIRONMENTAL HAZARDS: Potential environmental hazards, including, but not limited to, asbestos, lead-based paint and other lead contamination, radon, methane, other gases, fuel oil or chemical storage tanks, contaminated soil or water, hazardous waste, waste disposal sites, electromagnetic fields, nuclear sources, and other substances, materials, products, or conditions (including mold (airborne, toxic or otherwise), fungus or similar contaminants).
  - G. EARTHQUAKES AND FLOODING: Susceptibility of the Property to earthquake/seismic hazards and propensity of the Property to flood.
  - H. FIRE, HAZARD AND OTHER INSURANCE: The availability and cost of necessary or desired insurance may vary. The location of the Property in a seismic, flood or fire hazard zone, and other conditions, such as the age of the Property and the claims history of the Property and Buyer, may affect the availability and need for certain types of insurance. Buyer should explore insurance options early as this information may affect other decisions, including the removal of loan and inspection contingencies.
  - BUILDING PERMITS, ZONING AND GOVERNMENTAL REQUIREMENTS: Permits, inspections, certificates, zoning, other governmental limitations, restrictions, and requirements affecting the current or future use of the Property, its development or size.
  - J. RENTAL PROPERTY RESTRICTIONS: Some cities and counties impose restrictions that limit the amount of rent that can be charged, the maximum number of occupants, and the right of a landlord to terminate a tenancy. Deadbolt or other locks and security systems for doors and windows, including window bars, should be examined to determine whether they satisfy legal requirements.
  - K. SECURITY AND SAFETY: State and local Law may require the installation of barriers, access alarms, self-latching mechanisms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as various fire safety and other measures concerning other features of the Property.
  - L. NEIGHBORHOOD, AREA, SUBDIVISION CONDITIONS; PERSONAL FACTORS: Neighborhood or area conditions, including schools, law enforcement, crime statistics, registered felons or offenders, fire protection, other government services, availability, adequacy and cost of internet connections or other technology services and installations, commercial, industrial or agricultural activities, existing and proposed transportation, construction and development that may affect noise, view, or traffic, airport noise, noise or odor from any source, wild and domestic animals, other nuisances, hazards, or circumstances, protected species, wetland properties, botanical diseases, historic or other governmentally protected sites or improvements, cemeteries, facilities and condition of common areas of common interest subdivisions, and possible lack of compliance with any governing documents or Homeowners' Association requirements, conditions and influences of significance to certain cultures and/or

# POSSIBLE REPRESENTATION OF MORE THAN ONE BUYER OR SELLER - DISCLOSURE AND CONSENT

(C.A.R. Form PRBS, 11/14)

A real estate broker (Broker), whether a corporation, partnership or sole proprietorship, may represent more than one buyer or seller. This multiple representation can occur through an individual licensed as a broker or salesperson or through different individual broker's or salespersons (associate licensees) acting under the Broker's license. The associate licensees may be working out of the same or different office locations.

**Multiple Buyers:** Broker (individually or through its associate licensees) may be working with many prospective buyers at the same time. These prospective buyers may have an interest in, and make offers on, the same properties. Some of these properties may be listed with Broker and some may not. Broker will not limit or restrict any particular buyer from making an offer on any particular property whether or not Broker represents other buyers interested in the same property.

**Multiple Sellers:** Broker (individually or through its associate licensees) may have listings on many properties at the same time. As a result, Broker will attempt to find buyers for each of those listed properties. Some listed properties may appeal to the same prospective buyers. Some properties may attract more prospective buyers than others. Some of these prospective buyers may be represented by Broker and some may not. Broker will market all listed properties to all prospective buyers whether or not Broker has another or other listed properties that may appeal to the same prospective buyers.

**Dual Agency:** If Seller is represented by Broker, Seller acknowledges that broker may represent prospective buyers of Seller's property and consents to Broker acting as a dual agent for both seller and buyer in that transaction. If Buyer is represented by Broker, buyer acknowledges that Broker may represent sellers of property that Buyer is interested in acquiring and consents to Broker acting as a dual agent for both buyer and seller with regard to that property.

In the event of dual agency, seller and buyer agree that: (a) Broker, without the prior written consent of the Buyer, will not disclose to seller that the Buyer is willing to pay a price greater than the offered price; (b) Broker, without the prior written consent of the seller, will not disclose to the buyer that seller is willing to sell property at a price less than the listing price; and (c) other than as set forth in (a) and (b) above, a dual agent is obligated to disclose known facts materially affecting the value or desirability of the property to both parties.

Offers not necessarily confidential: Buyer is advised that seller or listing agent may disclose the existence, terms, or conditions of buyer's offer unless all parties and their agent have signed a written confidentiality agreement. Whether any such information is actually disclosed depends on many factors, such as current market conditions, the prevailing practice in the real estate community, the listing agent's marketing strategy and the instructions of the seller.

Buyer and seller understand that Broker may represent more than one buyer or more than one seller and even both buyer and seller on the same transaction and consents to such relationships.

Seller and/or Buyer acknowledges reading and understanding this Possible Representation of More Than One Buyer or Seller - Disclosure and Consent and agrees to the agency possibilities disclosed.

If the Seller financing requires a balloon payment, Seller shall give Buyer written notice, according to the terms of Civil Code §2966, at least 90 and not more than 150 days before the balloon payment is due if the transaction is for the purchase of a dwelling for not more than four families. B. If any obligation secured by the Property calls for a balloon payment, Seller and Buyer are aware that refinancing of the balloon payment at maturity may be difficult or impossible, depending on conditions in the conventional mortgage marketplace at that time. There are no assurances that new financing or a loan extension will be available when the balloon prepayment, or any prepayment, is due. C. If any of the existing or proposed loans or extensions of credit would require refinancing as a result of a lack of full amortization, such refinancing might be difficult or impossible in the conventional mortgage marketplace. In the event of default by Buyer: (1) Seller may have to reinstate and/or make monthly payments on any and all senior encumbrances (including real property taxes) in order to protect Seller's secured interest; (2) Seller's rights are generally limited to foreclosure on the Property, pursuant to California Code of Civil Procedure §580b; and (3) the Property may lack sufficient equity to protect Seller's interests if the Property decreases If this three-page Addendum and Disclosure is used in a transaction for the purchase of a dwelling for not more than four families, it shall be prepared by an Arranger of Credit as defined in California Civil Code §2957(a). #### IMPORTANT SELLER FINANCING DISCLOSURE - PLEASE READ CAREFULLY

The Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank) has made significant and important changes affecting seller financing on residential properties. Effective January 10, 2014, sellers who finance the purchase of residential property containing 1-4 units may be considered "loan originators" required to comply with certain Truth In Lending Act ("TILA") requirements. Even under Dodd-Frank however, the following two exemptions exist:

- 1. The seller finances only **ONE** property in any 12 month period and:
  - a. The seller is a natural person, a trust or an estate, and
  - b. The seller did not construct the property, and
  - c. The financing has a fixed rate or does not adjust for the first 5 years, and
  - d. The financing does not result in negative amortization.

#### OR

- 2. The seller finances no more than **THREE** properties in any 12 month period and:
  - a. The seller is a natural person or organization (corporation, LLC, partnership, trust, estate, association, etc.), and
  - b. The seller did not construct the property, and
  - c. The loan is fully amortized, i.e., no balloon payment, and
  - d. The financing has a fixed rate or does not adjust for the first 5 years, and
  - e. The borrower has the reasonable ability to repay the loan.

Sellers who finance the purchase of residential property containing 1-4 units meeting either of the two exemptions are not subject to the TILA requirements above may continue to, and are required by California Law to, use the Seller Financing Addendum.

Sellers who finance the purchase of residential property containing 1-4 units who do not meet either of the two tests above should still complete the Seller Finance Addendum and speak to a lawyer about other TILA disclosures that may be required.

Sellers who finance the purchase of residential property containing 5 or more units, vacant land, or commercial properties are not subject to the TILA disclosures nor are they required to use the Seller Financing Addendum.

A seller who originates a single extension of credit through a mortgage broker and additionally meets the definition of a "high-cost" mortgage under Dodd-Frank may be subject to the Truth in Lending Act's requirement to verify the borrower's ability to repay.
