

Dredge Update 6-22-2016

- Dredging began on June 1st.
- Dredging is continuing on the SOUTH side of the NORTH finger, Dock 2.
- Dredgers should be routinely contacted on Marine radio band Channel 80, and you are advised to contact them on your way in or out of the Marina. (They also monitor Ch. 16). Sometimes, a few minutes may be needed to relocate their equipment- they are able to better respond when you give 15-20 minutes notice before moving. *Slow, safe vessel moves in all Marina areas are requested.*
- *Next phase* → North side, dock 2- North finger to include slips 2005→2063. You will be contacted with your temporary slip assignment. *Estimated start next phase is – Mon., 6-27-2016*
