## THANKSGIVING NOTES

*Thanksgiving is almost upon us!*

This time of year causes me to reflect on the many blessings we share here, including an amazing facility, good dock friends and neighbors, and the peace to be found when we are on our boats. I am grateful to have such fine people to work with— when you see them, please take a moment to let Teresa, Chris, Doug and Dave know that you appreciate their efforts to keep the Marina clean and running efficiently.

The onset of Winter conditions has thus far been mild, with only intermittent rainstorms and a few chilly nights. This is an excellent time to come and verify that your docklines are robust (not frayed, please!) as when the REAL storms hit, your boat is vulnerable to going adrift inside the Marina (*and sadly- YES- this has actually happened!*)

We had one sailboat stolen from the waters outside the Marina North of the fishing pier, and it ended up found in Alameda. If you see any suspicious activity inside OR outside the Marina, or in our parking areas- please let us know (call Brisbane PD to report anything after hours).

Remember the new WiFi system is now installed, so visit the office to obtain your “key” to use the system.

We appreciate your business, and we continue to work hard to maintain and improve the facility so your experience here is an excellent one. *My door is always open...*
