

City of Brisbane
Agenda Report

To: City Council via City Manager

From: Stuart Schillinger, Administrative Services Director

Subject: Adoption of Resolution No. 2018-44 setting fees for the City of Brisbane.

Date: Meeting of June 21, 2018

Recommendation:

Adopt Resolution No. 2018-44 setting fees for the City of Brisbane.

Background:

On May 30, 2002 City Council reviewed and approved target recovery percentages for the City's fee schedule. On June 10, 2002 during the presentation of the first reading of Ordinance 468 staff stated the City Council would have the opportunity to review and approve fees annually with the budget. Staff presents the master fee schedule as part of the budget each fiscal year.

Resolution 2018-44 is the annual revision recommended by staff. The revision is based on a 3.0 percent across the board increase. Fee increases go into effect 60 days after approval. Therefore, rates which are attached to Resolution 2018-44 will into effect on August 20, 2018.

Fiscal Impact:

If all of the fees were adopted based on the current target recovery percentages the City would see an increase of approximately of \$16,000 based on the current year's budget. The actual amount may differ based on the amount each individual service is used by our customers and residents.
