A. Consider adoption of Ordinance 614, to Change the Year to which City Council Elections must be Held to Even Numbered Years (Statewide Elections) and extending for six months the terms of Office for City Council Members. (Out of Order)

City Attorney Roush stated that Ordinance 614 as proposed is to change the year to which City Council Elections must be held to even numbered years and extending the terms of office for City Councilmembers for six months until the June 2018 elections.

After some Councilmember discussion, CM Conway requested to add the background information of Senate Bill 415, the California Voter Participation Rights Act, to the Ordinance.

Mayor Liu stated that CM Davis wanted the opportunity to vote on this agenda item but is unable to attend tonight's meeting.

After further Councilmember discussion and questions of staff, CM Lentz stated he is in support of Ordinance 614 to focus on the most important matter which is the Baylands. He suggested mailing out a community survey to determine if the public is in favor of the six month extension.

CM Conway and Mayor Liu were not in favor of the community survey because it extends the timeline and potential for bias.

After further Councilmember discussion, Mayor Liu opened the floor to the public.

Tony Verreos stated his issue is that despite the many options to be aligned with the state mandate, three councilmembers chose to extend their own terms to meet the state mandate.

Paul Bouscal stated that there is an online petition, with signers over 10% of the registered voters, asking the Council not to extend their terms and continue with the November 2017 election. He also added that the City residents will submit a referendum petition of protest if Ordinance 614 is adopted.

CM Conway and Mayor Liu requested a copy of the online petition from Paul Bouscal.

Nancy Lacsamana stated the online petition has no merit and she had refused to sign in. She expects the elected City Council members to do the right thing.

Glen Fieldman stated that he is not in support of Ordinance 614 and that the legitimacy of democracy is priceless.

Peter Grace stated that he is against postponing the elections because the right to vote should not be taken away under any circumstances. He advocated for a November 2017 election.

Coleen Mackin shared that she has a sacred right to vote and that Councilmembers extending their terms is taking away her right to vote.

Danny Ames stated that he does not support the term extension and he does not want his right to vote to be taken away.

Lee Panza suggested that at the November 2017 the voters can perhaps vote for a 4 ½ year term for the 2015-2019 seats and the 2017-2021 seats.

Carolyn Parker advocated to support Ordinance 614 because she wants the City Council to have the opportunity to go thoroughly through the Baylands Hearing process.

Dan Sorrentino stated he supports the six month extension but not a one year extension of the Councilmembers' terms.

Linda Dettmer advocated for a chance to vote for the Councilmembers again. She stated that there are over 200 people that she knows feels the same way and they are a voting bloc.

Joel Diaz commented he signed the petition and is against the ordinance as proposed. He stated it's not appropriate for government to stop our democratic right.

Sandeep Patel stated that Democracy is a conversation and that the people should be able to voice their opinion on Election Day.

Jay Patel commented that he is not in support of extending the councilmembers' terms and does not like the community being divided by this issue.

Tony Verreos said that he is upset with the arrogant vote to extend Councilmembers' terms. He added that there is nothing to lose by holding this election.

Karen Klauber stated that she does not support Ordinance 614 and is upset that her vote is being thrown away.

Joel Diaz commented that a possibility for a 2017 mail-in ballot would decrease the cost of a November 2017 election for the City.

After further Councilmember discussion and questions of City Attorney Roush, CM Conway made a motion, to adopt Ordinance 614 as proposed. The motion failed for a lack of a second.

To align the City Council elections back to a November election cycle, Mayor Liu advocated to amend the Ordinance to include providing for a term of office of 4.5 years for Persons elected to the City Council in June 2018 and June 2020.
